RE: International President's Membership Achievement Award

Dear Lion Douglas Warlick:

Congratulations! Our records show that your club met the club presidents' award criteria by achieving positive net growth for the year ending June 30, 2013. This is a significant accomplishment and you should be extremely proud of the outcome of your efforts and contributions to "A World of Service."

Membership growth not only benefits the association but it also directly impacts our communities, both locally and globally; through increased numbers of volunteers working to make a difference and serve those who need help the most.

Therefore, it is with great pleasure that I forward your crystal pin to you with appreciation for your contribution to membership growth and in a "World of Service" your club's efforts to improve your local community.

Sincerely,

Wayne A. Madden
Immediate Past International President
